Operation Assessments

Section 1. Creation of the Lien and Personal Obligation of the Assessments. The Developer for each Lot owned by it within the Properties hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay to the Townhome Association as hereinafter provided:

(1) annual assessments or charges, which shall include assessments for the maintenance and operation of the Common Areas as provided in Section 4 and 5, of Article II, including such reasonable reserves as the Townhome Association may deem necessary;

(2) special assessments for capital improvements; such assessments to be fixed, established, and collected from time to time as hereinafter provided and,

(3) other assessments hereinafter provided for.

The annual, special, and other assessments, together with such interest thereon and costs of collection thereof as hereinafter provided, shall be a charge on the land and shall be continuing lien upon the property against which each such assessment is made. Each such assessment, together with such interest thereon and cost of collection thereof as hereinafter provided, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. All assessments, both annual and special, by the Townhome Association shall be against all Lots subject to its jurisdiction, fixed at a uniform rate per Lot, and may be collected on a monthly basis.

Section 2. Purpose of Annual Assessments. The annual assessments levied by the Townhome Association shall be used exclusively for the general purpose of promoting the recreation, health, safety, and welfare of the Members of the Townhome Association, their families residing with them, their guests, and tenants; and, in particular for the improvement, maintenance, and operation of the Properties, services, and facilities, if any, devoted to this purpose and related to the use and enjoyment of the Common Areas facilities situated upon the Properties, including, but not limited to, the capital improvement repair, replacement and additions thereto, and for the cost of labor, equipment materials, management and supervision thereof.

Section 3. Special Assessments for Capital Improvements. In addition to the annual assessments authorized by Section 2 hereof, the Townhome Association may levy, in any assessment year, a special assessment applicable to that year only, for the purpose of defraying, in whole or in part the cost of any construction or reconstruction, repair, or replacement of a capital improvement that in the judgment of the Board benefits all Lots, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of the Members who are voting in person or by proxy at a meeting duly called for this purpose, as provided in the By-laws of the Townhome Association.

Section 4. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence on the date(which shall be the first day of a month) fixed by the Board of Directors of the Townhome Association to be the date of commencement; provided, however, that such commencement date shall be subsequent to the conveyance of the Common Areas to the Association.

The annual assessments shall be payable in monthly installments due the first day of each month, or in annual or quarter-annual installments if so determined by said Board.

The amount of the annual assessment that may be levied for the balance remaining in the first year of assessment shall be an amount bearing the same relationship to the annual assessment provided for in Section 2 hereof

as the remaining number of months in such calendar year bears to the total number of months in said calendar year.

The due date of any special assessment levied under Section 3 hereof shall be fixed in the resolution authorizing such assessment.

Section 5. Duties of the Board of Directors. The Board of Directors of the Townhome Association shall fix the date of commencement and the amount of assessment against each Lot and Tract subject to the Association's jurisdiction for each assessment period at least thirty (30) days in advance of such date or period and shall, at that time, prepare a roster of the properties and assessments applicable thereto that shall be kept in the office of the Association and shall be open to inspection by any Owner.

Written notice of the assessment shall thereupon be sent to every Owner subject thereto.

The Townhome Association shall, upon demand at any time, furnish to any Owner liable for said assessment a certificate in writing signed by an officer of said Association, setting forth whether such assessment has been paid as to any particular Lot. Such certificate shall be conclusive evidence of payment of any assessment to the Association therein stated to have been paid.

The Townhome Association, through the action of its Board of Directors, may enter into an agreement or agreements from time to time with one or more persons, firms, or corporations for the purpose of providing professional management, operation of and maintenance services for the Common Areas. The Association shall have all other powers provided in its Articles of Incorporation and By-Laws as well as by law.

Section 6. Amounts of Annual Assessments. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be \$ 20.06 per Lot.

(a) from and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum assessment may be increased each year not more than the greater of 5% above the maximum assessment for the previous year or the "Adjusted Maximum Annual Assessment" as hereinafter defined without a vote of the membership.

Adjusted Maximum Annual Assessment. The "Adjusted Maximum Annual Assessment" shall be computed by reference to the statistics published in the Monthly Labor Review by the United States Department of Labor, Bureau of Labor Statistics, designated "Consumer Price Index-U.S. City Average for Urban Wage Earners and Clerical Workers, 1967 equals 100, All Items", hereinafter called the "Consumer Price Index". For purposes of identification, the Consumer Price Index for May 1979 was 214.3. The "Adjusted Maximum Annual Assessment" shall be computed by the following formula:

i = Consumer Price Index for the month in which the conveyance of the first Lot to an Owner occurs (the "Base Date").

I = Consumer Price Index for the first anniversary of the Base Date for the first adjustment and each subsequent anniversary of the Base Date for future adjustments.

$$\frac{I - i}{i} \text{ Plus } 1.0 \text{ multiplied by } \$247.20 = \text{"Adjusted Maximum Annual Assessment"}^2$$

If the Bureau of Labor Statistics shall change the method of determining the Consumer Price Index, the formula for determining "Adjusted Maximum Annual Assessment" shall be altered or amended, if possible, so as to continue the base period and base figure, but in the event it shall be impossible to do so, or in the event the Bureau of

² OR 10680 p 2677 3/7/80 PARA C3

Labor Statistics shall cease to publish the said statistical information and it is not available from any other source, public or private, then and in any such event a new formula for determining "Adjusted Maximum Annual Assessment" shall be adopted by the Association. Any such new formulas for computing increases in assessments are subject to prior acceptance by the VA and FHA, as appropriate

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above the greater of 5% of the previous year's maximum annual assessment or the Adjusted Maximum Annual Assessment by a vote of two-thirds (2/3) of each class of Members who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) The assessment for each Lot shall be equal to the assessment for each other Lot. The Board of Directors of the Association shall, after consideration of current maintenance costs and future needs of the Association, fix the actual assessment for each year in an amount not to exceed the maximum annual assessment as herein defined.

Section 7. Effect of Nonpayment of Assessment: The Personal Obligation of the Owner; the Lien; Remedies of Association. If the assessments are not paid within thirty (30) days after the date when due (being the dates specified in Section 4 hereof), then such assessment shall become delinquent and shall, together with such interest thereon and cost of collection thereof as hereinafter provided, thereupon become a continuing lien on the property, which shall bind such property in the hands of the then Owner, his heirs, devisees, personal representatives, successors, and assigns. The personal obligation of the then Owner to pay such assessment, however, shall remain his personal obligation for the statutory period and shall not pass to his successors in title unless expressly assumed by them.

If the assessment is not paid within thirty (30) days after the date when due, the assessment shall bear interest from the date when due, at the rate of ten percent (10%) per annum, however, in no event shall this interest rate exceed the maximum allowable by law, and the Association may bring an action at law against the Owner personally obligated to pay the same or may record a claim of lien against the property or may foreclose the lien against the property, or pursue one or more of such remedies at the same time or successively, and there shall be added to the amount of such assessment attorneys' fees and costs of preparing and filing the claim of lien and the complaint in such action, and in the event a judgment is obtained, such judgment shall include interest on the assessment as above provided and a reasonable attorneys' fee, including attorneys' fees incurred by an appeal of such action, to be fixed by the court, together with the costs of the action.

No Owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the Common Areas or abandonment of his Lot. It shall be the legal duty and responsibility of the Townhome Association to enforce payment of the assessments.

In addition to the rights of collection of assessments stated in this Section 7, any and all persons acquiring the title to or the interest in a Lot as to which the assessment is delinquent including without limitation persons acquiring title by operation of law and by judicial sale, shall not be entitled to the occupancy of such Lot or the enjoyment of the Common Areas, until such time as all unpaid and delinquent assessments due and owing from the selling Owner have been fully paid; provided, however, that the provisions of this sentence shall not be applicable to the mortgagees and purchasers contemplated by Section 8 of this Article.

Section 8. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage encumbering any Lot to any institutional lender or governmental agency now or hereafter placed upon the Properties subject to assessments. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments

thereafter becoming due of from the lien thereof. Any unpaid assessment that cannot be collected as a lien against a Lot by reason of this Section shall be deemed to be an assessment divided equally among, payable by, and a lien against all subject to the jurisdiction of the Association levying the assessment, including the Lot as to which the foreclosure (or conveyance in lieu of foreclosure) took place. Such assessments shall be collected as provided in Section 9, hereof. Liens for assessments under this Article IV shall be of equal dignity with liens for assessments of the Overall Association and Audubon Village Homeowner's Association.

Section 9. Collection of Assessments. The Townhome Association shall collect all imposed pursuant hereto, together with all assessments due the Audubon Village Homeowner's Association and the Overall Association upon certification by the Audubon Village Homeowners' Association and the Overall Association to the Townhome Association from time to time of the amount of the respective assessments levied by the Audubon Village Homeowners' Association and the Overall Association with respect to each lot subject to such assessment. In the event that only a portion of the assessments are collected, the amount collected shall be prorated in the same proportion that the assessments of the Overall Association, the Audubon Village Homeowners' Association and the Townhome Association bear to the total assessment levied. In the event any past due assessment is to be divided equally among and payable by all of the Lots subject to assessment by the Association as provided in Section 8 hereof, any amounts representing assessments due the Audubon Village Homeowners' Association as appropriate. Nothing in this Section 9 should be construed to prohibit either or both of the Overall Association and the Audubon Village Homeowners' Association from imposing and collecting their respective assessments directly against the Lots rather than through the Townhome Association.

Section 10: Effect on Developer :Notwithstanding any provision that may be contained to the contrary in this instrument, the Developer shall be liable for assessments against Lots owned by the Developer, provided that vacant Lots, Lots with partially completed structures and Lots with completed structures which are not hand have not previously bee occupied shall be assessed at a rate equal to twenty-five (25%) percent of regular assessments on such Lots as long as the viability of the Association will not be jeopardized.³ The Developer may at any time commence paying such assessments as to Lots that it owns and thereby automatically terminate its obligations to fund deficits in the operating expenses of the Townhome Association.

Section 11. Trust Funds. The portion of all regular assessments collected by the Association for reserves for future expenses, and the entire amount of all special assessments, shall be held by the Townhome Association in trust for the Owners of all Lots, as their interest may appear until disbursed as herein contemplated.

Section 12. Notice and Quorum. Written notice of any meeting called for the purpose of taking any action authorized under Sections 3 or 6 hereof shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of Members or of proxies entitled to cast a majority of all votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 13. Special Taxing Districts. In the event a Special Taxing District is established to provide any services currently rendered by the Townhome Association, these Covenants and Conditions shall no longer be of any force and effect as to those services provided by said Special Taxing District; provided, however, the Covenants and Conditions set forth herein shall continue to bind and run with the land as herein provided as to all of the Properties for services not

³ OR 10680 p 2677 3/7/80 PARA C1

provided by said Special Taxing District. If said Special Taxing District is terminated for any reason, these Covenants and Conditions shall thereupon apply in full force and effect as if said Special Taxing District had never been created.

ARTICLE V

Residential Area Covenants

Section 1. Use Restriction. Each and all Lots within the Properties are restricted to the use of a single family, their household servants and guests, exclusively for residential purposes. By way of illustration but not limitation, the Lots or any buildings erected or to be erected thereon shall not be used for the purpose of any profession, trade, employment, service, manufacture or business of any description, nor as a school, hospital or other charitable institution, nor as a hotel, apartment house, rooming house or place of public resort, nor for any sport (other than such games as are usually played in connection with the occupancy of private residences), nor for any purpose other than a private residence.

Only one (1) residence may be built on one Lot. Buildings accessory to the use of one-family living may be erected provided they do not furnish accommodations for an additional family. A construction shed and related facilities may be placed on a Lot and remain there temporarily during the course of active construction of a residence, otherwise no portable or temporary buildings or mobile homes or tents or shacks or barns may be placed on a Lot. Temporary uses for model homes, sales displays, parking lots, sales offices and other offices, or anyone or combination thereof, shall be permitted until permanent cessation of such uses takes place.

Section 2. Sight Distance at Intersections: No structure, hedge, shrub or planting that obstructs sightlines at elevations between two (2) and six (6) feet above the roadways shall be placed or permitted to remain on any corner Lot within the triangular area formed by the street property lines extended and a line connecting them at points twenty-five (25) feet from the intersection of the extended street lines. The same sight-line limitations shall apply to any Lot within ten (10) feet from the intersection of a street property line with the edge of a driveway pavement. No tree shall be permitted to remain within such distances of such intersections unless the foliage line is maintained at sufficient height to prevent obstructions of such sightlines.

Section 3 Clothes Lines No exterior clothes lines or drying areas shall be permitted.

Section 4. Easements. Easements for installation and maintenance of utilities and for installation and maintenance of drainage facilities are reserved as shown on the recorded plats of the Properties. Within these easements, no structure, planting or other material shall, be placed or permitted to remain that may damage any structure installed in accordance with said easement, or prevent the installation and maintenance of utilities in the utility easements, or that may change the direction of flow of drainage channels in the drainage easements, or that may obstruct or retard the flow of water through drainage channels in the drainage easements, provided, however, fences that otherwise comply with these restrictions and have Architectural Control Committee approval may be constructed within such easements. The easement area of each Lot and all improvements in it shall be maintained continuously by the Owner of the Lot, except for installations for which a public authority or utility company is responsible. The City of Homestead, Florida Power & Light Company, Southern Bell Telephone and Telegraph Company, City Gas Company of Florida and the Developer, and their respective successors and assigns, shall have a perpetual easement for the installation and maintenance (all underground) of water lines, sanitary sewers, gas mains, storm drains, electric and telephone lines, excepting, however, those electric transmission lines presently above ground, cables and conduits, under and through the utility easements as shown on the plats. There is hereby reserved a perpetual easement for the installation and maintenance of cable and community antenna radio and television lines. Any damage caused to pavements, driveways, drainage structures, sidewalks or other structures in the installation and maintenance of such utilities shall be promptly restored and repaired by the utility whose installation or

maintenance caused the damage.
